## Aim High Gymnastics

### Parents Association

### "Who This Really Benefits"

Aim High Academy was established in 1996  
 as a school to provide progressive  
 educational programs.

We use our programs as a vehicle to build  
 self-confidence, develop an appreciation for  
 one's own body, and foster a love for learning.  
 At Aim High Academy we offer many programs  
 for children of all ages. Every child's abilities  
 and skills are different; therefore, we design many  
 classes to accommodate these differences.

We strive to challenge our students in a fun and  
 caring environment, while encouraging each child  
 to develop at his or her own pace.

**The AHGPA was formed as a non-profit  
 organization to provide a means to assist  
 Aim High Academy Gymnastics Team  
 with meet fees and coaching travel expenses.**
